IIMA Alumni Association Hyderabad Chapter Charitable Trust and Udbhav School

IIMA Alumni Association Hyderabad Chapter Charitable Trust took over the school (facing imminent closure) located in Rasoolpura, a slum area of Hyderabad, designated as a notified slum by the government in April, 2013. The IIMA Alumni are spurred by the vision that all children should have the same opportunities. Their goal is to impart holistic education to every child to make them **life ready**, to make them good citizens of India. The school was renamed as “Udbhav School” by IIMAAA Hyderabad Chapter Charitable trust. Therefore the Udbhav management is committed to providing the Udbhav children opportunities and education for their all round growth and development.

Our Vision is to transform the lives of at least 10,000 underprivileged children and their families by 2025.

The IIMAAA HCC trust is actively supported in its activities by members of the IIMA Alumni Association Hyderabad Chapter (IIMAAA HC).
